

THANKFULNESS THROUGH TRIALS

Thank you, God, that You are in control.

Thank you, God, that I am alive to walk through the trial with You.

Thank you for all You can teach me in the trial.

Thank you for your Word to read anytime.

Thank you for your Spirit who is my Comforter and Counselor.

Thank you, Jesus, that You are my friend. You are dear to me.

Thank you that You love me in this trial and Your love will carry me.

Thank you that You are holy, and You are God.

Thank you for another season to trust You.

Thank you for walking with me; I am not alone.

Thank you for the challenges in the trial.

Thank you that I can come close to You, and You will draw close to me.

Thank you for teaching me how to pray. Help my lips to praise and honor You in this season.

Thank you that I can give you glory even when I can't see what You are doing. I can fix my eyes on You.

Thank you for Your eternal and living hope. Even if my situation does not change, You are my hope.
